Learning the Lord's Prayer is a good first step in making prayer REAL to any child. (Click any image to download a free coloring page.)

Our Father

The first word of this great prayer is OUR not my. This tells us that prayer should not be selfish.

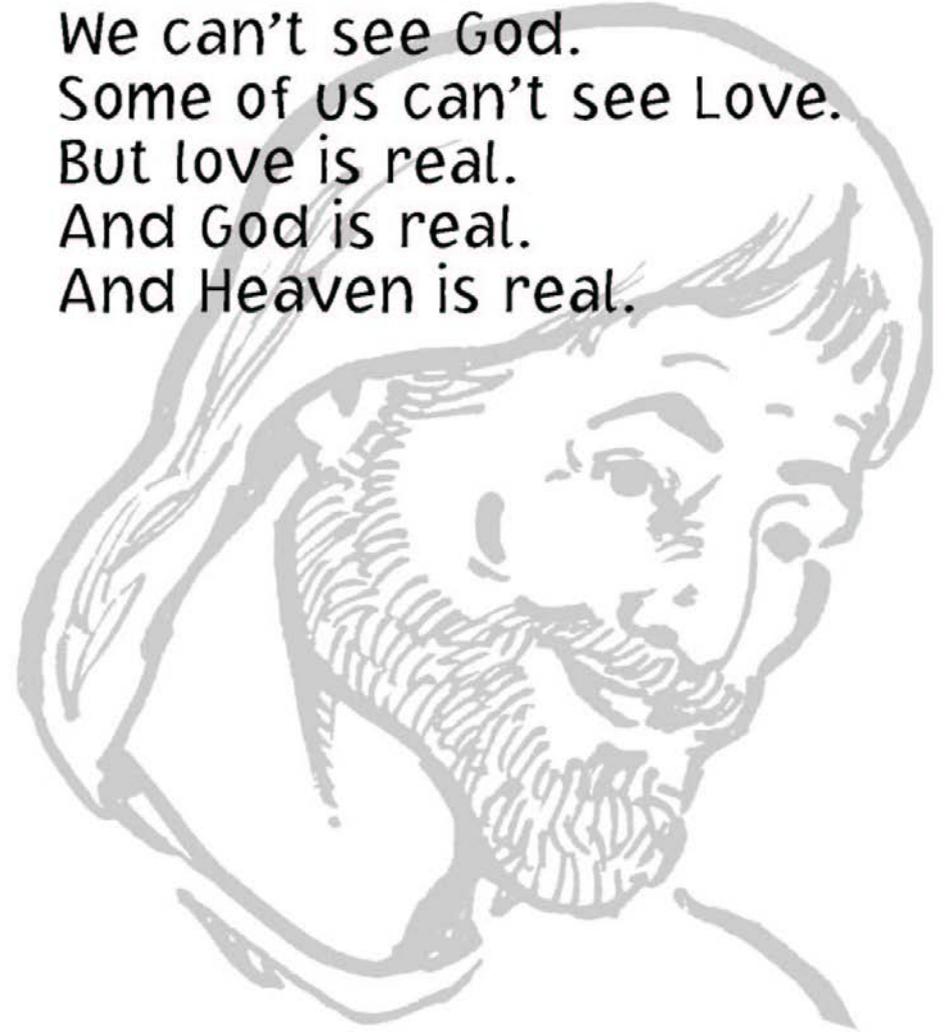

The second word is Father. But you can call Him Abba, Creator, or just plain Holy God. Whatever you call Him, God is LOVE.

Learning to pray takes a lot of adult help. Click either image to print a free coloring page.

Who Art in Heaven

We can't see Heaven.
We can't see God.
Some of us can't see Love.
But love is real.
And God is real.
And Heaven is real.

A child's first answered prayer should be like his first time riding a bike or reading a book...something he never forgets.

Whichever name You use for God
always remember

HALLOWED

Thy Kingdom Come

Who would you choose for King?

Someone selfish,
or someone who cares
Jesus always cares.

One great mystery of prayer is that you can't pray rightly without scripture and you can't understand scripture without praying.

**Thy Will be Done
On Earth as it is
in Heaven**

God can fix anything we take
to Him in prayer,

especially our hurt feelings
and sad hearts.

Help your children get acquainted.**

Give us this Day
Our Daily Bread

God feeds the animals and birds, the poor people and the rich people.

He **always** has time for the Hungry.

Prayers of repentance ...like brushing your teeth...should be something you do every day.

And Forgive US
Our Trespasses

Hurting people and breaking rules are **trespasses**. Our trespasses (sins) hurt God so we should repent and ask him to forgive us.

Repent means to say: "I'm sorry I did wrong. Please help me do right."

How we hope your children will take prayer seriously and often.

**As we Forgive
Those who Trespass
Against Us**

God wants us to tell Him and our favorite grownups when people hurt us.

We should not keep something like being hurt a secret. After we talk about it God will help us forgive those who hurt us.

Everyone struggles with their feelings. The great sadness of childhood is not having anyone to help. Praying with your children is a great place to start.

**And Lead us
Not into Temptation**

Feeling angry, afraid, or lonely can make you want to break a rule.

That is called temptation. Pray, so God can help with your feelings.

But Deliver us
From evil

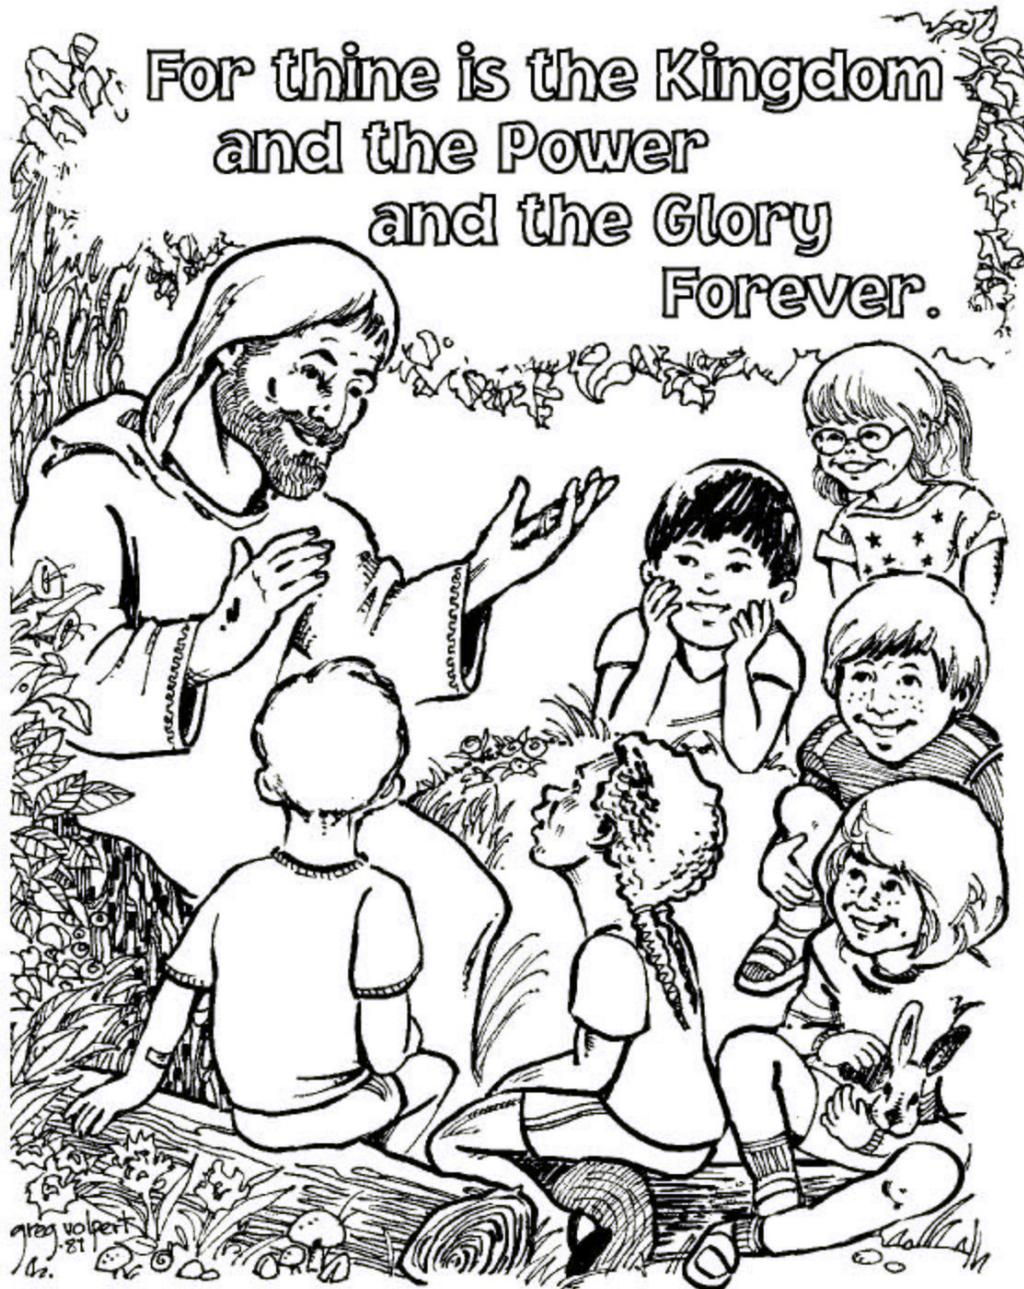

Breaking rules can hurt a lot
but God still loves you, just
like this mother.

A very important part of
prayer is asking God to teach
us right from wrong.

To teach you to pray,
To make scripture real,
