

Once again we hope to attend a Global summit in Africa, this time with the Assemblies of God.

Currently our main website www.teachustoprayer.com

Offers our main Lord's Prayer coloring page in 86 languages, 22 of them from Africa. We have offered the summit leaders 5,000 free Lord's Prayer coloring books hoping those who receive them will help us add even more languages.

Hope you will pray with us that they accept the coloring book donation or that my health October 8-13 allows me to attend in person.

**This seems a wonder-full chance
To share our prayer cup and other translations.**

THANK YOU ALL...

very much.
