

**The only way to be a Christian is Daily.
May the following MORNING prayer
bless the children in your family, church,
and all the world.**

**For best results post in your child's bedroom
or by the front door.**

**Dear Jesus;
Today and every day
in every way**

I want to be more like you.

Take my fears.

Forgive my sins.

Cleanse my heart and

Teach me right from wrong.

Help me understand your word,

trust your love

and pass it on to others.

Amen
